3 Read and complete.

forecasts ~~meteorologists~~ satellites heatwave hailstorms

In the past, it was difficult to study the weather. Now it is much easier.

1 Meteorologists use technology to find information about the weather. They study images of the Earth from 2 \_\_\_\_\_ in space. They use this information to write weather 3 \_\_\_\_\_.

For some people, it is very important to know about the weather. Firefighters need to know if there is going to be a 4 \_\_\_\_\_ because hot, dry weather can cause forest fires. Farmers need information about rain and 5 \_\_\_\_\_ because they can damage their crops. And we all need weather information so we can plan our weekends and holidays!
